

DOMAINE JACQUES PRIEUR

Clos Vougeot Grand Cru 2013

2013

The sky fell down on our heads!

What a little difference a year makes... After an arduous weather in 2012 we hoped for a serene 2013 vintage, but Nature decided otherwise!

Once again, vines, throughout the growing season and until the final maturity of the grapes, underwent all assaults of nature: long and grey winter, sullen and rainy spring, slow growth cycle, late flowering (second half of June) with coulure and millerandage and a month of July marked by violent hailstorms, especially the one on 23rd July in Côte de Beaune that has caused large crop losses (from 10% to 100 % depending on location). All these weather conditions gave way to a significant drop in production. Fortunately, warm, dry, sunny August and soft and slightly damp September allowed the small amount of grapes to mature by the beginning of October. Nevertheless, we had to remain vigilant and very flexible facing the botrytis development on Chardonnay. Picking began on 2nd October, confirming 2013 as a late harvest vintage.

The overall quality of the wines is not affected by these weather disturbances. Red wines are dense with pronounced black fruit on the palate featuring refreshing spicy notes, ripe and digestible tannins. White wines are surprisingly aromatic with notes of yellow fruits, candied citrus and dried fruits, and vibrant and lively finish embracing beautiful structure on the palate.

GRAPE VARIETY & PLOT SIZE

Grape variety: 100% Pinot Noir on a 1.28 hectare plot

TERROIR

This 50-hectare clos (walled vineyard) was created by the Monks of Cîteaux. Their cellar was located in the Château du Clos Vougeot, which is now the headquarters of the Confrérie des Chevaliers du Tastevin.

The soil has a large clay content, which accounts to the powerful, well-structured wines that have a rustic side when very young.

VINIFICATION & AGEING

The grapes were handpicked into small crates, then sorted and totally destemmed. The wine stayed on the skins for 21 days in temperature-controlled open oak vats. Pigeage (punching down the cap) was done twice a day during alcoholic fermentation.

100% malolactic fermentation

The wine was aged entirely in new oak barrels.

Duration of barrel ageing: 20 months

TASTING NOTES

Tasted in november 2015

COLOUR: Deep red ruby.

NOSE: Very fresh with cherry, fresh almond and toasted bread notes.

PALATE: Dynamic on the palate, featuring spicy and liquorice notes. Dense and pronounced tannins.
